

Residential Voice over IP

• Your days of experiencing expensive long distance, complicated "Special Bundle Plans" and confusing bills are over!

• • • Our Residential VoIP Solution is an all-inclusive home phone service that replaces your current telephone company. By using Voice over Internet Protocol (VoIP) to transmit your phone calls, PWHR Solutions offers you a better plan, with more features and bigger savings from what you are paying right now for your phone service.

Only \$32.95 Per Month

• Residential VoIP Home Phone Service

• • • With Residential VoIP you will enjoy local calling to anywhere in Canada or the United States! That's right NO LONG DISTANCE, anywhere in Canada or the United States; no strings attached.

•

• • • Also included with our solution is an abundance of call features, included for FREE, in your phones monthly service. You get:

Free Caller ID

Free Call Waiting

Free Call Forwarding

Free Call Return (*69)

Free Enhanced Voice Mail Service

.....just to name a few!

• • • • With our VoIP service you can send and receive calls the same way you do with a normal telephone. You do not need to be tied to a computer to use our service and you can relax knowing we have 100% Emergency 911 coverage all over Canada and the United States.
