

High Speed DSL/ADSL

PWHR Solutions offers DSL and ADSL services to customer in Ontario, Alberta and British Columbia. Our DSL and ADSL service works the exact same way as the big telco's. We are able to provide you round the clock 24/365 bilingual tech support, best of all you no longer need to be just a number and go thru the agrivations of dealing with the later Internet Service Providers.

Here are 5 simple reasons why choosing PWHR Solutions as your ISP is the right choice.

- NO CONTRACTS! Ever!

When

we say NEVER we mean it, we believe it is unfair to lock customers into long contracts that never benefit the customer, if for any reason you are un-happy with our Internet Services you are free to leave at any time with no penalty.

- No complicated bundles

You

do not need to have a mass services with us to enjoy our internet services, we offer the same fair prices to everyone no matter who you are.

- Support In Canada

Have

you ever dealt with the frustration of trying to get technical support from someone that barely speaks your language? Our support representatives are all located in Canada and are bilingual, we are happy to assist you in English or French. Our support staff will never be located overseas, you will always speak to a local Canadian technician.

- No Equipment Rentals

Modem

rentals are a big waste of your hard earned cash. You are likely paying between \$5.00 and \$10.00 per month for your modem rental. This means on average after the first year you already losing money. Owning your modem is a smart investment that will pay you back each month after the first year.

- Say Goodbye To The Big ISP Mentality

Are

you tried of paying expensive overages or being hung up on by overseas technical support representatives? Are you tried of having limited options with your service? Are you tired of being forced to upgrade to expensive business packages just to get a Static IP Address? Are you tired of feeling like a small fish in a big pond?

Our Internet

Services are designed with all these concerns in mind. It is our core belief that your Internet Service should be flexible and adaptable to you, we want to bring the same leverage and flexibility to your Internet Service as we do with your VoIP Service. Try us out, you have nothing to lose, there are no contracts, you can cancel any time.
