Â
 Â Â Â For areas where we support LNP (Local Number Portability) you will be
 able to keep your existing number. For all other coverage areas where
 we do not have LNP support we can still provide service there by
 providing you with a new telephone number. With PWHR Solutions VoIP you
 are able to make outgoing telephone calls to anywhere in the world.

Â Â Â This page is being updated constantly, if we don't have coverage in your area currently, please check back often as
 we will keep this page updated each time a new area is added to our network.
